Education

Netaji Subhas University of Technology, Delhi	2023–2027
Bachelor of Technology in Computer Science (AI)	CGPA: 7.51
Delhi English Academy School, Delhi	2023
Class XII, CBSE	Score: 84.4%
Delhi English Academy School, Delhi	2021
Class X, CBSE	Score: 81%

Projects

Campus Link

Tech Stack: MongoDB, Express.js, React.js, Node.js, JWT, Tailwind CSS

- Full-stack MERN platform connecting students to campus opportunities, internships, and events.
- Implemented secure user authentication with JWT and role-based access control.
- Developed opportunity posting, application tracking, and admin analytics dashboards.
- Integrated MongoDB for database management and built RESTful APIs with Express.js.
- Designed intuitive user interface with React and Tailwind CSS components.

SecurePay Vault

Tech Stack: MongoDB, Express.js, React.js, Node.js, Cloudinary, JWT

- Built a workforce management platform with secure login, payslip uploads, and reimbursement workflows.
- Implemented role-based dashboards for employees/admins with JWT authentication and access control.
- Designed a reimbursement module for users to submit proofs and get admin approvals in real time.
- Integrated Cloudinary for secure file storage; optimized uploads with size checks and error handling.
- Developed RESTful APIs with middleware protections, ensuring secure and modular backend operations.

Reliability-Aware BERT Question Answering

Tech Stack: Python, PyTorch, Hugging Face Transformers, Scikit-learn, NLP

- Built a BERT-based QA system with uncertainty-aware reliability scoring on the SQuAD v2 dataset.
- Extracted entropy, span probability, and confidence-margin features from BERT logits.
- Trained a Random Forest classifier for reliability prediction and no-answer detection.
- Built an end-to-end inference pipeline generating answers along with reliability scores and confidence levels.

Achievements

- Solved over **1000+** algorithmic problems across various platforms (LeetCode, Codeforces, etc.)
- **LeetCode (Knight @Leetcode)**: Top 5% rated globally for problem-solving contests
- Codeforces: Pupil rank with regular participation in contests
- Secured **97.88 percentile** in JEE Mains 2023 among over 1 million candidates.

Positions of Responsibility

Vice President, Axiom NSUT (Philosophical Society)

Sep 2024 – Present

- Oversaw content, design, and social media strategies to expand digital presence and audience reach.
- Led society-wide offline and online initiatives including workshops, debates, and short film campaigns.

Campus Ambassador, Unstop

Aug 2025 – May 2026

- Assisted students in accessing coding challenges, hackathons, and tech opportunities on Unstop platform.
- Promoted tech-focused events and competitions via social media and college society networks.
- Tracked student participation and engagement in coding challenges and competitions.

Technical Proficiency

Languages/Tools: C++, Python, HTML, CSS, LangChain, SQL, Git, JavaScript, React, Node.js

Core Computer Science Machine Learning, Artificial Intelligence, Data Structures & Algorithms, Database Management Systems, Operating Systems, Object Oriented Programming
